Village Sanitation rules had to be introduced. As the Consolidated list called for could not be furnished before the rules are introduced into all these remaining villages and as such a list would then become superfluous these papers, it is submitted, may be filed.

KP 1.7

19 The consolidated list has to be submitted (the last paragraph) according to the G.O. of 1908 only after the village Sanitation rules have been introduced into all the villages of the D. containing not less than 25 houses and (seems to be) there is no necessity to keep this file as it is especially as Quarterly lists are being submitted separately which give the progress made during each Quarter. This may if approved, be filed, consolidated list being called for after it is ascertained from the Quarterly reports that the G.O. of 1908 has been fully given effect to.
